CER Response Template — Science Writing Framework

Name: _____ Date: _____ Class / Period: _____

Topic / Question Prompt: _____

C CLAIM

Write one clear sentence that answers the question or states your position.

SENTENCE STARTERS:

I claim that... / The evidence shows that... / Based on the data,...

E EVIDENCE

Give at least two specific pieces of data, observations, or results that support your claim. Use numbers and details, not opinions.

SENTENCE STARTERS:

One piece of evidence is... / The data show... / In the lab, we observed...

R REASONING

Explain WHY your evidence supports your claim. Connect it to a science concept, rule, or vocabulary term.

SENTENCE STARTERS:

This evidence supports my claim because... / This happens because... / According to the concept of...

SELF-CHECK BEFORE YOU TURN IT IN

- ☐ My claim directly answers the question in one clear sentence.
- ☐ My evidence includes at least two specific, relevant details (data, numbers, or observations).
- ☐ My reasoning explains WHY the evidence supports the claim, using science vocabulary.
- ☐ I used complete sentences and checked my spelling and grammar.
